EDINBURGH

One of the best student cities in the world. Being a student at Edinburgh Napier makes you part of this amazing city. World renowned for heritage, culture, festivals and tourism, Edinburgh has it all.

It's a special place, unlike anywhere else in the UK: a capital city with loads going on but small enough that you can get to know it well and find the areas and activities that best fit with your interests.

Filled with green spaces, incredible architecture, world-class restaurants, and ghosts – in Edinburgh you can enjoy the beach, climb hills, discover independent shops, and experience art. The buzzing bar and music scene offers something for everyone. And of course, there are world-famous festivals and remarkable events, from the Edinburgh Fringe to Hogmanay.

As a student here you'll be part of a big community; Edinburgh welcomes thousands of students from near and far every year. It's a safe city too and easy to get around. You'll feel at home wherever you come from.

We love contributing to the city's dynamism through our students, staff, researchers, and graduates. Join us and become part of it – we think studying here will make your student life a truly memorable experience.

Head to napier.ac.uk/about-us/our-location/about-edinburgh for more about our magical city.

“

Edinburgh in every way is the city of dreams – a mixture of city life and nature, history and modernity and all things in between. The city is safe, and the locals are warm and welcoming.

“

With hundreds of venues set up in the city and thousands of shows every day to choose from, I was spoilt for choice. It was an emotionally stimulating experience for me as I remember tearing up at a theatrical show tackling mental health issues, laughing the night away at late night stand-up comedy shows, feeling bewildered at stunning acrobatic dance and circus-based events, and losing myself at the beautiful music recitals.

Rupali, India

”

THE FESTIVAL

Edinburgh is home to the world's largest arts festival, the Edinburgh Festival Fringe.

MERCHISTON CAMPUS

The Merchiston campus is Edinburgh Napier's historical heart – the 16th century tower at the centre of the campus is where our namesake, mathematician John Napier, was born.

Home to:

- > INTERNATIONAL COLLEGE
- > SCHOOL OF ARTS & CREATIVE INDUSTRIES
- > SCHOOL OF COMPUTING, ENGINEERING & BUILT ENVIRONMENT

Facilities include:

- 500-seat Jack Kilby Computing Centre open 24/7 in trimesters 1 and 2
- Professional music, TV, radio, design, and photography studios
- Industry-standard newsroom
- Specialist CodeLab with games development kits and NVIDIA-enhanced machines
- User Experience Sensorium lab, with eye tracking and facial expression analysis software
- Digital media labs, an Internet of Things lab and a Cisco networking lab
- Robotics and Automated Manufacturing lab
- Coffee shop and cafeteria

“

Among all the facilities, the Jack Kilby Computing Centre (JKCC), which is open 24/7, is my favourite. I have never been somewhere that has computers available all day. The JKCC also has lots of study areas which students can use to have group discussions – it's fantastic. I love it here!

OTHER CAMPUSES

CRAIGLOCKHART

Home to our Business School, Craiglockhart is a mix of the historical and the modern in a gorgeous, park-like setting.

The iconic Lindsay Stewart Lecture Theatre (known affectionately as 'The Egg') makes a great contrast to its historic wing, which was used as a military hospital during WWI and now hosts the War Poets Collection.

You'll find everything you need to become ready to succeed in the world of business, including lecture theatres, multimedia labs, plenty of computing facilities and dedicated library and support services.

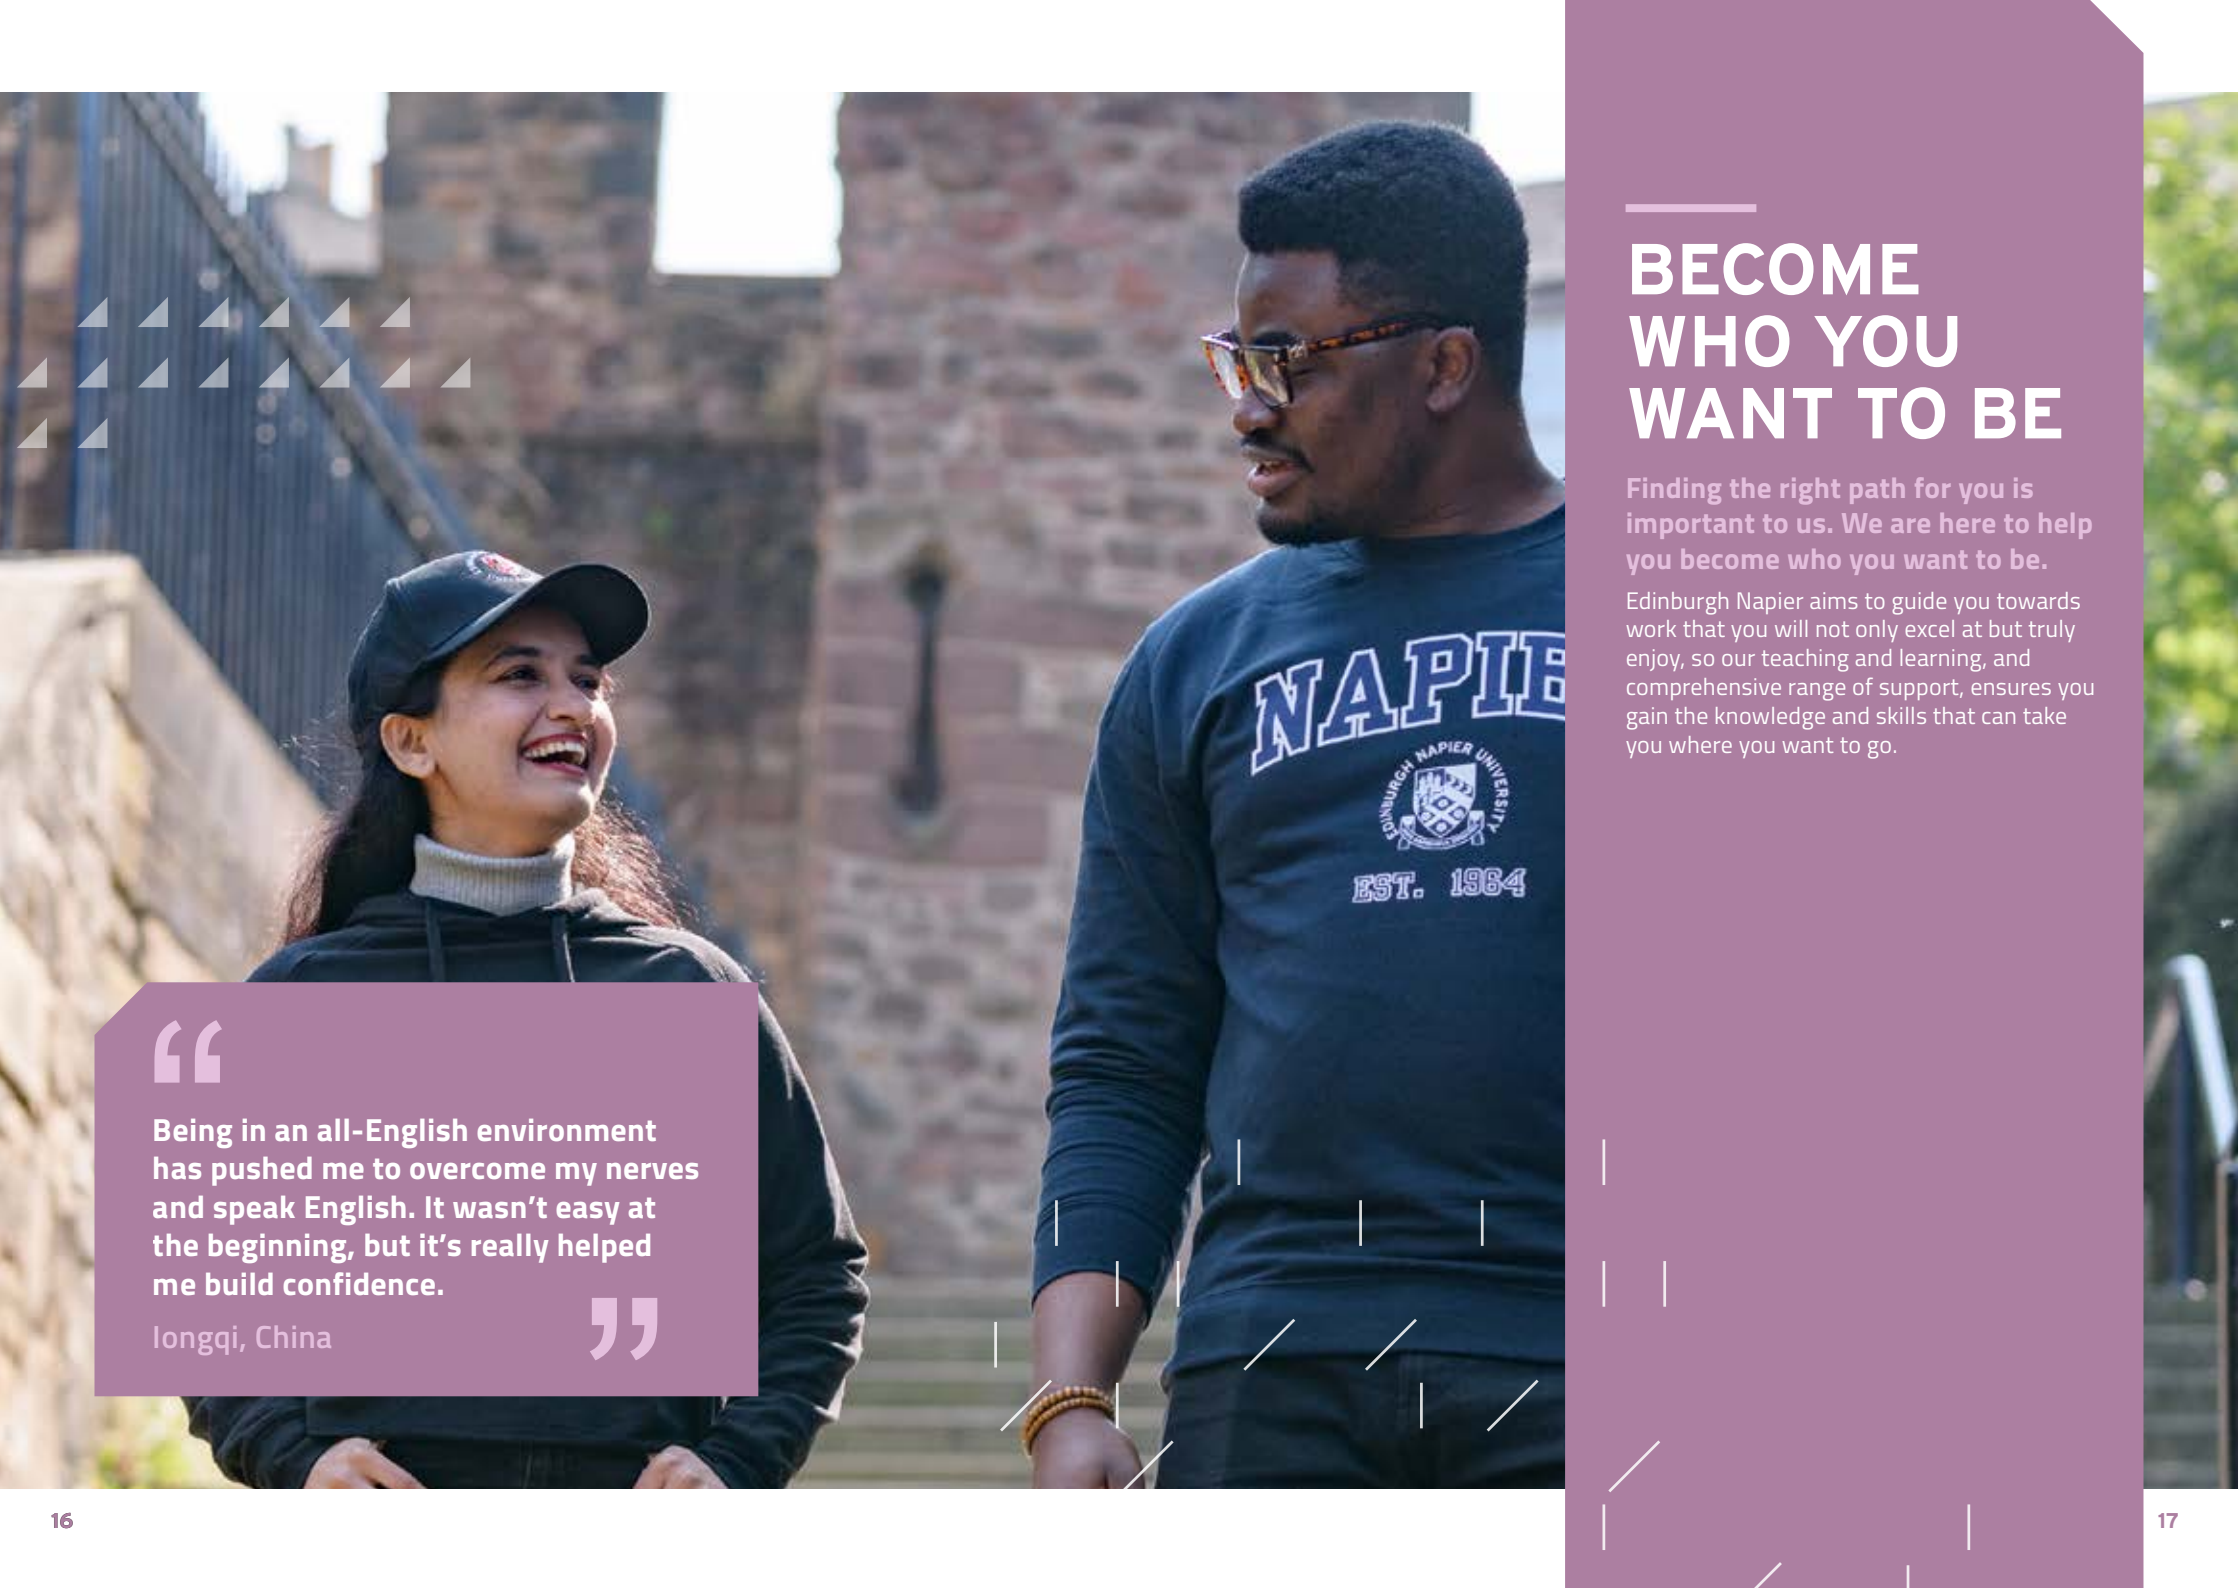

SIGHTHILL

The Sighthill campus is our largest campus, filled with smart spaces and awesome views over the city.

Sighthill is also home to our elite sports facility [EN]GAGE, open to all of our students wherever they may be based. These state-of-the-art facilities cater for all levels of ability; you can take part in a wide variety of sports, use the gym or attend one of the many regular fitness classes – this resource is here for you whatever you enjoy.

“

When I met with my flatmates for the first time, I felt so happy because the accommodation was pristine. The kitchen, which is my favourite part of any house, had everything a cake baker like myself needs to survive a masters programme. I really love being part of the Edinburgh Napier student community!
