

# Build Your Future

In partnership with top universities, we offer students an alternative route to higher education through an exciting range of degrees.

We offer students the option between studying an international pathway or going direct to university.

You will take advantage of full university student status from day one.

Our pathways are taught at our individual embedded colleges at a choice of nine universities in both UK and US, here you start the first stage of an undergraduate or postgraduate degree.

We also enable student to apply direct to university into one of our five partnered universities across the UK and US.

# What is a pathway?

A pathway course is designed to prepare students with subject-specific knowledge and English language skills, helping them to succeed as they continue their degree studies. Teaching takes place in small classes that provide individual support and help students adjust to the challenges of academic study – preparing them in the best possible way for higher education.

## Course features:

Academic preparation in the subject area of your chosen degree

Specialist support and expert teaching for international students

English language support throughout the course

Range of popular undergraduate and postgraduate degree options

*There were limited numbers of students in classrooms at DMUIC, which allowed professors to focus on individual student growth and assist students throughout the course. Apart from that, the Faculty and DMUIC crew have been helpful and kind, providing us with wonderful experiences to cherish.*

**Shaikh Amir Ali**, Pakistan, DMUIC

# Why study with us?

Through our university partnerships, you will be able to thrive and achieve your full academic potential; allowing you to succeed and pursue a rewarding career in today's global economy and society.

Offer response within 48 hours of receiving an application

University student status, with access to all facilities and services

Support through the application process to enrolment on to your pathway or degree

Opportunity to live with students from around the world

Direct continuation to chosen degree upon completion\*\*

Dedicated pre-arrival support from our student services team.

\*Average rate of progression based on number of students who completed their course and continued on to their degree.

\*\*SF State International Year One students select their majors upon completion of the programme. Oxford International Pathway College students have access to undergraduate courses at leading universities in the UK and abroad. All applications to our university partners will be assessed by the university and will be subject to their entry requirements.

For more up to date statistics visit [www.oxfordinternational.com](http://www.oxfordinternational.com).

# What is Oxford Direct?

Oxford Direct is our direct to university option for students who meet the universities own entry requirements and do not need to take an international pathway. These university's offer a range of industry leading degrees to prepare you for your working career, whilst also helping build your portfolio. We currently have 5 direct university partnerships in the UK, and US.

Choice of a wide range of subject areas and degrees

Student support from application to enrolment

Offer response within 48 hours of receiving an application

We work with universities to guide on international degrees offered

# What can you study?

There is a huge choice of university degrees available across a wide range of subject areas and universities across the UK and US. We offer undergraduate and postgraduate pathways to bridge the gap between English language and academic skills, alongside direct to university application if you meet the university's entry requirements.

Health Psychology

# Where can you study?

We have partnered with some of the best universities in the UK and the US to provide you with the opportunity to study abroad either directly on a degree or through a pathway programme at one of our embedded colleges.

We have seven embedded colleges in the UK and two in the US where you can study a variety of pathway options to meet your English language proficiency and academic qualification level.

In addition, we have formed partnerships with BPP University, Ravensbourne University, and the University of Roehampton to offer you a direct route to university.

*Abigail, who helped me with my university requirements has been so proactive not just with me but the whole bunch of students. I see a silly questions being asked but without any hesitation she has been nice to all and always answers anything that's required for all the students. Having someone like her surely helps the students feel easy about the process specially for international students, who are travelling abroad for the first time, it's a huge benefit to get proper guidance.*

**Mathew Furtado**, Ravensbourne University  
London

### **Bangor University International College**

Bangor University combines the best of community, research and connection with nature.

### **University of Bradford International College**

University of Bradford offers students robust sporting facilities, a strong sense of community and award-winning careers service.

### **De Montfort University International College**

Leicester-based DMU brings the highest standards in education to an inclusive, international curriculum with over 170 accredited courses.

### **International College Dundee**

The Scottish university in the heart of Dundee offers the best of all worlds: Green spaces, study places and the buzz of city life.

### **Edinburgh Napier University International College**

Edinburgh Napier is the #1 Modern University in Scotland. Surrounded by historic architecture and home to the annual Fringe festival.

### **University of Greenwich International College**

Greenwich campus sits on a World Heritage Site and is home to a modern university that builds excellent professional prospects.

### **Mercy University International**

Mercy University is your chance to live and study in New York as an international student on the Eastern coast of the United States.

### **San Francisco State University**

World-class academics, a diverse campus and an incredible location are three top reasons students pick San Francisco State University.

### **University of Kent**

The University of Kent is one of the country's leading academic institutions producing world-class research, delivering outstanding teaching across two campuses in Canterbury and Medway.

### **BPP University**

BPP University is a diverse, multicultural university where you can network and make global connections while studying towards your future career.

### **Ravensbourne University London**

Industry-focused university on the vibrant Greenwich Peninsula collaborating with the creative and digital industries to give students the skills and opportunities they need to kick-start their careers.

### **University of Roehampton**

At Roehampton amongst 54 acres of parkland you'll find a strong sense of community, thriving social scene and rich history.

# Student support

**We make sure you are supported, so you can build the future you want.**

At Oxford International, we are specialists in international education and understand how to provide a bridge for you to university, ensuring you have the best start to your journey.

With our embedded pathway colleges or our Oxford Direct partnerships, we ensure students benefit from bespoke assistance whilst at university. Right from the start our team are here to guide you through the application process, settling in and achieving, to enrolment on to your university degree.

**We ensure you have checked off all the important things from the list.**

- ✓ Visa and CAS documentation guidance
- ✓ Pre-arrival webinars and live support to ensure you have everything covered
- ✓ Transport to your chosen place of study
- ✓ Accommodation on campus or near the university
- ✓ Online enrolment before you arrive

## Our approach, your advantage

Our embedded pathway colleges have small class sizes and a student-centred approach to the classroom, so you are fully supported to achieve your goals. You are encouraged to take part in individual, pair, and group work in lessons; with learning extending beyond the classroom with self-study. This prepares you for university and helps develop skills and knowledge before and after the taught classes. Our pathway modules provide opportunities to strengthen your skills, with core learning materials provided in a virtual learning environment, along with assessments. When you start on your pathway, we support you with:

**Academic  
support tutors**

**Small class  
sizes**

**Supervised  
study sessions**

**University  
counselling**

**Progression  
support**

## Pastoral support

We make sure students are fully supported not only in their academic studies but also with all aspects of life in the UK. At our pathway colleges, our student services team offer support or signpost you to help from the university. We regularly check in with you and focus on all aspects of your student life. Tutors will then be able to help or flag the issue to a professional to ensure you are able to resolve any questions or concerns.

# University Pathways

In partnership with top universities, we offer you an alternative route to higher education through an exciting range of programmes. We deliver both undergraduate and postgraduate pathway programmes, designed to strengthen English language abilities and academic level, introducing fundamental concepts required for success on your chosen degree course.

Our students benefit from small class sizes and expert tutor support that helps them adjust to life at their chosen destination. Whilst based at the main university campus, the friendly and supportive environment prepares students for success.

## Why study a pathway programme at one of our embedded colleges?

Through our pathway programmes, you will be able to thrive and achieve your full academic potential. Our university partnerships will enable you to succeed and pursue a rewarding career in today's global economy and society.

One visa for the entire programme duration

Offer response within 48 hours of receiving an application

Direct continuation to chosen degree upon completion\*\*

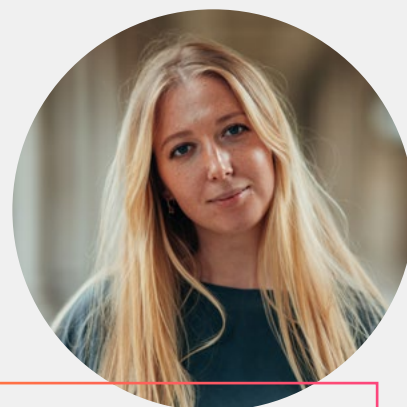

University student status, with access to all facilities and services

Opportunity to live on campus with students from around the world

Dedicated support from our student services team

*I chose studying abroad because I wanted to explore the world and make new friends. The support I received at the international college made me feel more confident and allowed me to meet students from all around the world, Greenwich has been the perfect choice for me.*

**Ekaterina**, Russia,  
UGIC

## Undergraduate – UK Pathways

### International Foundation

The International Foundation pathway is a stand-alone course, giving you a level 3 qualification equivalent to A-levels. Once you have completed this course you are able to progress on to undergraduate year 1 of a wide range of degrees.

### International Year Zero

The International Year Zero (IYZ) is an integrated course, which provides one year of preparation for undergraduate degree study. Once students have completed this year, they will continue to the first year of their chosen degree directly with the university.

### International Year One

The International Year One (IY1) is the equivalent to the first year of study at undergraduate level. Once you have completed this year, you will continue to the second year of your chosen degree directly with the university.

### International Stage One - Scotland

International Stage One (IS1) is the first year of a four-year Scottish undergraduate degree for international students. This course strengthens your English abilities and introduces key knowledge required in your chosen subject area; you will then continue to the second year of your chosen degree directly with the university.

### International Second Year

The International Second Year (ISY) is equivalent to the second-year level study of a three-year undergraduate degree. Once you have completed this year, you will continue to the third and final year of your chosen degree directly with the university.

### International Stage Two - Scotland

International Stage Two (IS2) is the second year of a four-year Scottish undergraduate degree for our international students. Once you have completed this pathway you will continue to the third year of your chosen degree directly with the University.

Find out more about our pathways

### Pre-Top Up in Business – DMU only

The Pre-Top Up (PTU) in Business is a top-up preparation course that provides international students a route to complete an undergraduate degree at De Montfort University.

## Undergraduate – US Pathway

### International Year One

The International Year One at Mercy or San Francisco State University allows international students to take credited General Education courses during your first year. You then enter directly into your second year with the university where you can begin to choose from a broad range of majors for your final degree.

## Postgraduate Pathway

### Pre-Master's

The Pre-Masters / International Incorporated Master's provides students with the advanced study skills and academic English support required for master's level study. This course can be studied over a number of terms depending on a student's academic qualifications and English language level.

## Pre-Sessional English

Our Pre-Sessional English courses provide an intensive training and assessment in the English language that lasts for either 6 or 12 weeks. The main objective of this academic English support is to improve your proficiency in the language, so that you can successfully pursue your desired pathway or degree program.

Find out more about Pre-Sessional English

# Oxford International Pathway College

The Oxford International Pathway College has campuses in both Oxford and London, providing international students access to hundreds of university degrees.

## The Oxford International Advantage

Our courses include business modules tailored to your level of study.

Our pathways are designed to enable you to progress to your university of choice as quickly as possible.

Once you successfully complete your pathway programme with us, you can progress to one of our partner universities across the UK.

The diversity of our students is what gives Oxford International its unique atmosphere and energy.

Our small class sizes ensure you are given personalised support to thrive in your studies.

Our specialist teaching staff have years of experience teaching English and academic courses to international students.

# The Oxford International Advantage

At each centre, our dedicated staff understand the challenges that overseas students face when they come to the UK to study a language. Our team is dedicated to helping overseas students. We help you with settling in, making friends, and outlining your learning goals.

Your future success is our priority, and we want you to know that our staff at the college are here to help you reach your goals both in and out of the classroom.

Our team of specialist tutors has put in effort to ensure that the curriculum is challenging yet manageable, with many opportunities for students to put theory into practice. In addition, our students benefit from having a dedicated support team to assist them throughout the university application process and provide guidance on matters such as visa application, accommodation options, and financial aid.

continuation  
rate\*

## Key information

### International Foundation Certificate (IFC)

*Pre-university preparatory programme*

Art and Design / Business and Law / Engineering and Computing / Life Sciences / Media / Pharmacy

### Available routes at DMUIC:

#### IYZ (International Year Zero)

*Also available in 2 term*

Art and Design / Business and Law / Life Sciences / Pharmacy / Engineering and Computing / Media

#### IFY (International First Year)

Business and Management / Engineering and Computing

#### ISY (International Second Year)

Business

#### IIM (International Incorporated Masters)

Business / Engineering / Health Science

### Highlights:

- Ideally located in the centre of England
- Buzzing, vibrant city
- Modern, 21st century campus

### Accommodation:

- Choice of mixed or same gender flats, shared kitchen and laundry facilities, furnished bedrooms (some with en suite facilities) and internet access from £99 - £170 per week
- 9 halls of residence for international students
- Within easy walking distance to campus

### Travel:

- 1+ hour train to London
- 1 hour train to Birmingham

# ? Why study at De Montfort University

## Top 20

as one of the most sustainable universities in the UK

(The People & Planet's University League 2021)

# ? Why study at Edinburgh Napier University

## Number 1

Modern University in Scotland

(The Times/Sunday Times Good University Guide 2022)

## Edinburgh is 16th

in the world in QS Best Students Cities 2024

## Number 1

university in Edinburgh for student satisfaction

(National Student Survey)

**5th** best modern university for Information Systems and Management

**3rd** for Film Production and Photography (The Guardian University Guide 2023)

**7th** for Hospitality, Event

**8th** for Communication and Media Studies (Complete University Guide 2024)

## Did you know?

Edinburgh is the world's leading festival city and home to the largest arts festival in the world, The Edinburgh Fringe. This event has the third largest audience size after the Olympics and the football World Cup.

Edinburgh is the home of JK Rowling and birthplace of Harry Potter. You can walk the streets which inspired Diagon Alley, sip coffee in a café or visit one of the many Harry Potter shops.

Edinburgh is well connected to the rest of the UK and Europe with direct trains and flights to major cities including London, France, and Belgium.

*What I love most about Edinburgh are the views – especially at Princes Street Gardens. It is my favourite place to sit and have my own time – in the summer I hope to relax on the grass with my friends. The old buildings enhance the beauty of this majestic city. The diversity of cultures in the city and the availability of a variety of food is amazing!*

# University of Kent International College

📍 Kent, England, UK

## Key information

University of Kent is a leading university in the UK. It offers students the best education, support, and opportunities to help them discover their full potential. At Kent, one can gain valuable experiences, forge new connections, and become part of a dynamic global community.

University is a time of self-discovery, and Kent provides a safe and inclusive environment to explore one's identity. We celebrate individuality and promote equality for all students. Whether you're looking to delve into new interests or pursue a long-term career, we will be there to support you every step of the way.

**SCAN**  
to find out  
more about  
University  
of Kent

### Highlights:

- University of Kent has two campuses; Canterbury and Medway. The main Canterbury campus is the heart of the student community
- Students can take the free shuttle bus to the Medway campus and enjoy the best that both campuses have to offer
- Sports facilities at Canterbury include extensive gym and fitness facilities including sports halls and floodlit artificial outdoor pitches

### Accommodation:

- On campus accommodation at the Canterbury campus student village
- Local private accommodation also available

### Travel:

- High speed train direct to London in 1 hour
- Easy links to London Gatwick Airport and Heathrow Airport, two of the largest airports in the UK

## Why study at University of Kent

### 39th

in the UK QS World University rankings

### Top 25

of Higher Education Institutions worldwide

### 48th

in The Complete University Guide 2024

### Number 1

in Times Higher Education award for outstanding student support

New buildings purposely built to enhance students learning including the award winning £26m Kent Business School 'Sibson Building'.

### Did you know?

Kent is England's oldest county and has more historic houses, castles and cathedrals than any other region.

With 350 miles of coastline, Kent is home to the White Cliffs of Dover famously featured in music, film and literary works, you can see France on a clear day from Folkstone.

Canterbury Cathedral dates back to the 11th century and is home to the Archbishop of Canterbury, leader of the Church of England.

Rochester in Medway is where Charles Dickens grew up and wrote many of his books; it also boasts a beautiful cathedral and 11th century castle as well as traditional sweet shops, original pubs and cafes.

# What is Oxford Direct?

With Oxford Direct we enable and support students directly into one of our partnered universities. These universities offer a range of industry leading courses to prepare you for your working career, whilst also helping build your portfolio.

We work closely with our universities to help guide and develop their range of degrees for international students, ensuring you have the industry knowledge to use globally.

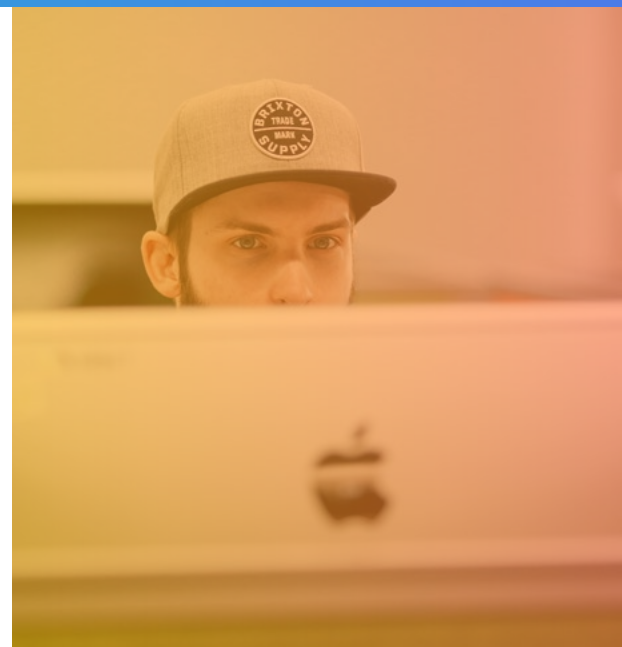

You will benefit from support from our admissions team through application until enrolment, guiding you through each step in the process. We ensure you have all the necessary documents, as well as supporting your arrival and ensuring that you have booked accommodation and mapped your route from the airport to your university.

To make your transition into university life as smooth as possible we work with the university's student services who will support you through enrolment and your first weeks at university.

*They were really good at dealing with the complexities of the application procedure and gave me timely answers to my questions. Thanks to their support, I felt confident and well-prepared as I embarked on this important journey*

**Cathrine John Darees**, MSc Clinical Nutrition  
University of Roehampton

## Ravensbourne University London

Ravensbourne University London is a dynamic and industry-focused university located at the heart of London's thriving creative district. The university is dedicated to nurturing creativity and providing specialised skills for digital media and design careers. Students will have the chance to become part of a vibrant and diverse student community and experience the best that the UK has to offer in terms of education and living experience.

## University of Roehampton London

University of Roehampton has a vibrant and innovative culture, strong ties to business and industry, outstanding research, global focus, and an exciting range of courses for international students. Roehampton remains one of London's premier modern universities.

## BPP University

With over 16,000 students from more than 100 countries, BPP University is a diverse, multicultural university where you can network and make global connections whilst studying towards your future career in Law, Business, Nursing or Management.

# BPP University

📍 London, Birmingham, Manchester – UK

**New  
for 2023**

## Key information

**BPP – building careers through education. It is a leading UK university, with a focus on delivering practically focused teaching which prepares students for successful professional careers.**

The teaching focuses on developing the skills and knowledge that employers look for, which is why they are the preferred choice for leading global businesses. You will learn in professional workspaces, with modern resources and the latest technology, with study content that reflects what the industry needs.

**SCAN**

to find out  
more about  
BPP  
University

### Highlights:

- Based in the UK's key business locations; London, Birmingham, Manchester
- Study centres include latest audio-visual technology and interactive learning facilities
- BPP centres have quiet study spaces for students, multi-faith rooms and free wi-fi access
- Over 16,000 students from more than 100 countries

### Accommodation:

- BPP University is a member institution of the University of London (UoL) Housing Services
- Local private accommodation available

### Travel:

- Dedicated BPP welcome desk at Heathrow Airport to help you on arrival
- Central city locations with train and bus routes in and around the cities

## Why study at BPP University

### 95%

of all BPP students go straight into employment or further study within six months of graduating

### 90%

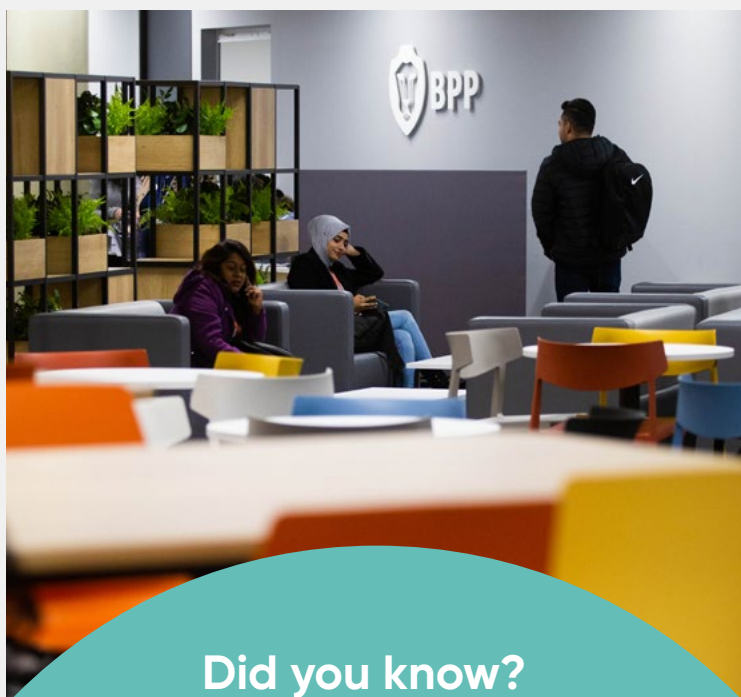

of the FTSE 100 companies trust BPP with their professional training

BPP University ranks 4th overall in the HESA survey, and 2nd place against the Russell Group of 24 leading universities for Postgraduate Students in Employment in Highly Skilled Occupations.

Home to one of the UK's leading Law Schools, with over 30 years' experience delivering professional legal qualifications. Trusted by many of the most influential law firms by training aspiring lawyers from over 150 organisations.

*As a BPP student you are connected to the wide legal sphere, through solicitors having their own experience at law firms, having law firms coming in to speak to us, as well as alumni who are there to support you with your growth as a lawyer.*

**Tom Moran,**  
Graduate Diploma Law and Licensed  
Professional Counsellor Graduate

### Did you know?

**BPP**

BPP University is a private university, part of the BPP Group and is a distinct legal entity with its own degree-awarding powers

BPP University's Law School is based in the heart of London's legal district. The recently refurbished study centre in Holborn is close to the historic Inns of Court and Law Society

There are more than 500 medical technology companies in Birmingham, more than any other region in the UK

Manchester was part of the UK's industrial revolution and is still home to some of the largest manufacturing companies today

## 90%

of Digital Marketing students in employment<sup>1</sup>

## Top 30

in UK for Art & Design<sup>2</sup>

## 2nd

in the UK for overall postgraduate satisfaction<sup>3</sup>

Ravensbourne is located on the Greenwich Peninsula, in the heart of London's newest permanent creative community. Situated right next to the world-famous O2 Arena, the campus offers students incredible views across the River Thames, Canary Wharf, Maritime Greenwich and beyond.

From our TV studio to our well-equipped fashion atelier and prototyping suite, you'll have free reign to use any of our excellent industry-standard facilities.

## Did you know?

Ravensbourne was the first university to showcase at London Fashion Week in 2021, and has been featured every year since.

Kopparberg and Ravensbourne have collaborated to give students the opportunity to design their annual limited edition summer bottle label.

Ravensbourne hosts over 100 creative technology businesses, which collaborate with its student body and industry partners to utilise its leading-edge technologies and media resources.

*If you want to enter the creative or media industries then studying in London is a must. We would often travel as a class to various studios for talks and tours. All of my lecturers still have strong involvement in the industry too, which meant I was able to develop real-world insights and connections from the word go!*

more about  
University of  
Roehampton

<sup>1</sup> Times Good University guide 2022

<sup>2</sup> Postgraduate Taught Experience Survey 2022 & 2023

<sup>2</sup> Research Excellence Framework 2021

### Highlights:

- The University of Roehampton London, is a friendly, modern, lively academic community with a growing international reputation for the high quality of its teaching and research.
- More than 60 societies and sports clubs available to all students.
- A modern university but with a distinctive collegiate history dating back to 1841.

### Accommodation:

- All International students who apply before July 31<sup>st</sup> will be guaranteed university accommodation. There is a wide variety of residences to choose from, both on campus and in central London. Fees vary between £128 - £188 a week.

### Travel:

- Situated just 30 minutes from central London and a 5-minute walk from Richmond Park, our beautiful 54-acre parkland campus provides the best of both worlds.

# ? Why study at Roehampton

## Number 1

modern university in London<sup>1</sup>

## Top 10

in the UK for postgraduate student satisfaction<sup>2</sup>

## Number 1

modern university in the UK for research<sup>3</sup>

London's only parkland campus university, with first-rate academic, sporting and leisure facilities.

The University's campus offers a close-knit community in a safe, secure and peaceful environment, whilst the proximity to central London provides easy access to the culture, resources and night-life of one of the greatest cities in the world.

## Did you know?

The campus is only a short walk from the picturesque Richmond Park, known for its herds of deer and extensive cycle paths.

Wandsworth is home to the Surrey Iron Railway, England's and possibly the world's oldest public railway. It runs from Wandsworth to Merstham in Surrey.

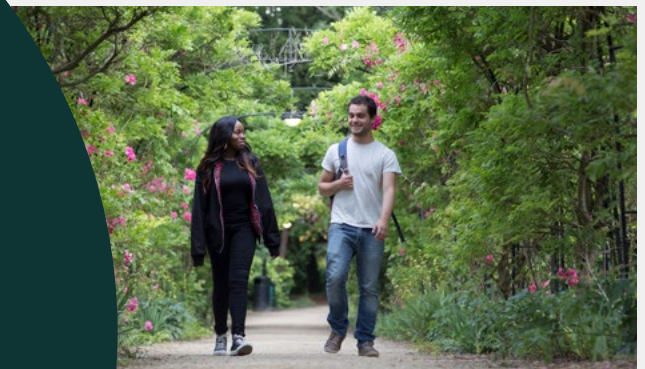

In 1926, Southfields in Wandsworth became home to London's first purpose-built mosque.

*My course impressed me because it focused not only on the traditional business industry but also the non-profit sector which is rather difficult to find. The teaching staff are full of experience and very welcoming for any personal, one-to-one tutoring.*

# How to Apply

Applying with us is easy. Students will need to complete our online application form using the link below. The application will need to include copies of all relevant academic transcripts and English language qualifications.

APPLY NOW AT  
[OXFORDINTERNATIONAL.COM](https://oxfordinternational.com)

## To start an application with ease, make sure the following is ready to upload:

A copy of a valid passport  
Digital Copy

A copy of original qualification certificates and transcripts  
Certified Translation (where applicable)

References (If applicable)

A personal statement (If applicable)

Any current & previous visas, CAS  
and copies of exit stamp  
If you require a visa to study abroad

A valid IELTS (for UK) if the score is at 5.5 or above  
If the score is below 5.5 students can apply for a Pre-Sessional  
English course

Credibility interview (If applicable)

Previous visa refusal letters (If applicable)

Portfolio  
Course specific (where applicable)

# What will happen after your application has been submitted?

Below is a step-by-step guide.

## STAGE 1: Submit your application

### STAGE 2: Check qualifications

We will carefully review applications and check that academic qualifications and level of English language is suitable for entry to chosen course.

### STAGE 3: Offer letter

If you are successful, we will then send you an offer letter.

### STAGE 4: Submit deposit

To be accepted on to the course, you will need to complete all the conditions outlined in your offer letter and make a 50% deposit payment, which includes an additional £150 non-refundable registration fee. In some cases students may be required to pay 100% deposit, students will be advised

if this is the case before stage 4.

You can accept your offer using this link:

[oxfordinternational.com/acceptance-of-offer/](https://oxfordinternational.com/acceptance-of-offer/)

## STAGE 5: CAS issued

If you need a visa to study abroad, then we will assess your documents so that we can issue you a Certificate of Acceptance for Studies (CAS) for the UK, or required documentation for the US.

## STAGE 6: Apply for visa

Students will then need to apply for a visa if necessary.

## STAGE 7: Final payment

Advance payment of fees will be required prior to arrival.

## STAGE 8: Accommodation & Final Details

**UK & USA:** We recommend letting us know at the start of an application whether accommodation is required. Before the start of the course, students will receive details of their accommodation (if booked in advance) and a welcome pack. Students will also be asked for their flight details to the UK/USA.

## STAGE 9: Welcome!

We can arrange for a taxi transfer upon a students arrival at a UK or US airport (additional fees apply).

# Oxford International Career Colleges

**At Oxford International Career Colleges, we specialise in providing career-focused qualifications that help international students' gain valuable work experience or progress towards university education.**

We have 3 study locations; Halifax, Toronto and Vancouver for English language courses, or a pathway to university in Canada. You can also study a diploma which prepares you to start work as soon as you graduate.

# Why choose Oxford International Career Colleges in Canada?

## Online and in-person education

You have access to online and in-person study

## 100% job placement support

Experienced career advisors work closely with you to understand your career goals and help you secure a job placement

## Robust career opportunities

A strong economy and job market in key sectors such as technology, healthcare, and business

## Pathway to permanent residency

*The CCA programme is a great privilege because it is an eye opener about the way of life of people, especially the seniors because of age-related issues or health challenges. We know that yes they do need support and that's what we've been trained to do and I'm lucky and privileged to be taught at this great college. It was a very strange experience for me leaving Nigeria for the first time all by myself without family and friends but people here in Halifax are very friendly, and very accepting.*

*Olufunke Omolara Olorunnisola, Nigeria,  
Continuing Care Assistant Graduate*

## Career ready diplomas

Our diploma programmes are more than just a qualification. You can start building career ready skills in your chosen field ready to start work as soon as you graduate.

## Continuing Care Assistant Halifax

The Continuing Care Assistant programme is designed to teach students everything they need to work in Nova Scotia in this challenging role supporting people of all ages in their daily activities. Alongside their studies, students are provided a guaranteed work placement to embed this knowledge.

## Hospitality Management Diploma Vancouver

The Hospitality Management Diploma programme provides students with practical knowledge and skills in various positions in hospitality operations. The AHLEI curriculum topics include an introduction to the hospitality industry, room division operations, food and beverage operations, marketing, accounting and supervision. With the paid co-op work placement, you can develop skills in the hospitality industry.

## Business Management Diploma Vancouver

Our Business Management Diploma programme offers you an enriching curriculum that covers global trade practices, international marketing strategies, and cross-cultural management techniques. You will also gain hands on experience that readies you for the demands of the business world.

# Oxford International Pathway College *Digital*

**Our online higher education programmes, powered by Oxford International Digital Institute (OIDI), are designed with student success and academic achievement in mind. By carefully balancing English language, academic study skills, and subject specific knowledge, our outcomes-based programmes prepare you for university study.**

## How we make online work for you

- ✓ You will receive access to the same high-quality course content
- ✓ Opportunity to join live lectures with expert tutors based in the UK
- ✓ View recordings of lectures if you're not able to attend live sessions
- ✓ One-to-one video sessions with a pastoral support manager
- ✓ Participate in interactive virtual student workshops

### Pre-Sessional English

The Online Pre-Sessional Course (OPSE) is a 6- or 12-week course that provides you with an initial period of intensive English language training and assessments – adapted for online learning.

### OIPC *Digital* International Foundation Programme in Business

The online International Foundation Programme in Business prepares you for an undergraduate degree. The programme teaches English language, study skills, and business and management modules, so you can progress on to a first year undergraduate degree at a university of your choice.

### OIPC *Digital* Pre-Master's in Business and Management

The online Pre-Master's in Business and Management bridges the gap between undergraduate qualifications and postgraduate degree study. The programme teaches English language, study skills, and business and management modules, preparing you for a postgraduate degree at a university of your choice.

### OIPC *Digital* Pre-PhD Programme

The online Pre-PhD Programme bridges the gap between master's level qualifications and doctoral study, with a focus on doctoral programmes in the UK. This programme provides you with an opportunity to become an independent researcher, a required skill for all doctoral candidates.

# The Oxford International Online Advantage

100% online, live lessons in small classes with individual attention by an experienced UK teacher

Guided self-study and pastoral support with flexible options to meet your educational and language needs

Full support for university degree enrolment to top universities

Develop in-demand skills and knowledge that is applicable to various contexts

Gain university level study skills and enhanced career opportunities

*I have learned a lot whilst studying Research & Academic Study Skills and other courses. Teachers are very patient, and they are always willing to help us in and after class...It really helps me a lot in my life!*

Ganghao Xu, Student

## OIPC Digital partner universities

Our *Digital* pathways are partnered with leading universities, and we support you through the journey of choosing the right university and degree at the end of your pathway. Our list of partners is always growing to ensure we are offering you the best choice for your future.

# About Oxford International Education Group

Oxford International Education Group is a unique, private education provider that runs international embedded pathway and career colleges, English language centres and delivers online courses and educational services internationally. Together with our partners, we create life enhancing experiences for students so they may achieve their ambitions.

Our pathways are taught at our individual embedded colleges at a choice of nine universities in both the UK and US, where you start the first stage of an undergraduate or postgraduate degree. At our international colleges you will take advantage of full university student status from day one.

We also enable student to apply direct to university into one of our six partnered universities across the UK, US and Australia.

## Our Core Values

We create life-enhancing learning experiences that help students develop personally, evolve professionally and enrich their future opportunities.

We build relationships through trust, honesty and respect.

We put our students and their goals at the heart of everything we do.

We love what we do and strive for excellence.

We are not afraid to be different and we celebrate innovation.

Oh, and we believe that a...

goes a long way...
